

CHAPTER 11

HEALTH AND SANITATION

- 11.01 (Repealed)
- 11.02 (Repealed)
- 11.03 (Repealed)
- 11.04 (Repealed)
- 11.05 Garbage and Refuse Disposal
- 11.06 Illegal Dumping Prohibited
- 11.07 Mandatory Recycling
- 11.10 Penalty

11.01 (Rep. Ord. #1-90)

11.02 (Rep. Ord. #1-90)

11.03 (Rep. Ord. #1-90)

11.04 (Rep. Ord. #1-90)

11.05 GARBAGE AND REFUSE DISPOSAL. (Am. Ord. 2-2011, Rep. & Recr. 7-2010)

(1) **REQUIREMENTS.** No person shall dispose of garbage or refuse in the Village except as hereinafter set forth.

(2) **DEFINITIONS.** (a) REFUSE is defined as the general accumulations of non-hazardous waste materials as may be accumulated day-to-day in an average household UNIT including:

Rubbish, garbage and kitchen waste.

(b) BULK ITEMS. (Am. Ord. 2-2011) Is defined as the general waste materials as may be discarded in an average residential UNIT including: Furniture, box springs, tables, carpet, couches, chairs and discarded small wooden items.

But shall NOT include such items as:

Broken concrete, any construction/demolition materials, rocks, soil, or any household item too large to be placed in a compactor-type truck, household hazardous wastes such as medical needles, paints, oils, and solvents, yard waste (trees, shrubs, grass clippings and leaves), and white goods: refrigerators, washers, dryers, stoves, water heaters, boilers, microwaves, dehumidifiers, dishwashers, freezers, air-conditioners, electronics, and oil filters.

(c) YARD WASTE is defined as any waste materials typically derived from landscaping; including but not limited to: grass clippings, leaves, garden waste, and shrubbery.

(d) UNIT: (Am. Ord. 2-2011) As herein defined is limited to individual residences, four-plex apartments or less and designated VILLAGE-owned properties (7) which include: Village Hall and Village owned properties, Fire Department, Rescue Squad, Legion Hall, Recreation Park, Catholic Church, and Methodist Church, within the VILLAGE limits of Hazel Green, WI.

3. GARBAGE AND REFUSE COLLECTION.

(a) CONTRACTOR shall provide weekly collection of garbage and refuse for all occupied UNITS within the VILLAGE. All GARBAGE and REFUSE as herein defined that is

designated for collection and disposal hereunder must be placed in covered cans or containers not to exceed thirty-two (32) gallons in capacity with a maximum weight for anyone container and its contents not to exceed forty (40) pounds or less in weight. Cans, containers and/or heavy-duty bags must be placed at the curb or roadway or in the alley, designated by the CONTRACTOR, no later than 7:00 a.m.

There will be no pickup on the following holidays:

New Years Day	Labor Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

When the holiday falls on or before pickup day, the pickup will be a day later.

(b) BULK ITEMS, as herein defined, are considered subject to collection by the CONTRACTOR according to the definitions described above and the following terms: The CONTRACTOR will make available the collection of one (1) bulk item per month from residential UNITS as a "NO EXTRA CHARGE SERVICE".

(c) CONTRACTOR will offer services for disposal of Resident's construction/demolition material, white goods, and debris. Residents will be responsible to contact the CONTRACTOR and make arrangements for collection on an individual basis and charged disposal fees accordingly for such services.

(d) All refuse and recycling for collection and disposal hereunder that is located at VILLAGE-owned properties: Village Fire Station, Rescue Squad, Village Hall, Recreation Park, Two Churches, and Legion Hall. Only these buildings or places will be collected once per week without charge to the VILLAGE. (NOTE SEVEN(7) PROPERTIES IN TOTAL).

4. RECYCLING COLLECTION. The CONTRACTOR shall also provide to the VILLAGE a curbside recycling services program. Materials to be collected by CONTRACTOR include newspaper, aluminum, glass, tin, cardboard and #1 & #2 PET plastics. The CONTRACTOR will provide to the VILLAGE an educational brochure, which explains the recycling program. The VILLAGE agrees to provide new residents with 18-gallon recycling bins through the CONTRACTOR at cost. CONTRACTOR reserves the rights to change recycling sheet based on mandatory required law or as needed. Following is the list of recycling materials:

- Aluminum cans
- Tin steel cans
- Glass containers
- #1 PET soda, water, flavored beverage bottles
- #2 HDPE-natural containers
- #2 HPDE-pigmented containers
- PET containers
- Residential paper fiber
- Newspaper (70 to 90% by weight)

Newspaper inserts
Mixed paper (10 to 30% by weight)
Cardboard (no wax)
Catalogs & telephone books
Cereal, cake, food mix boxes
Junk mail
Paper magazines
Office paper
(8) Car tires per year
Waste oil/leak proof containers (1-gallon maximum per unit)

5. YARD WASTE. CONTRACTOR IS EXEMPT FROM PERFORMING THIS SERVICE.

6. RESIDENTIAL CHARGES. (Am. Ord. 2-2011) (a) A charge of \$9.26 per month shall be made to each residential unit for the collection of residential garbage and refuse, with a 3 percent increase annually for the duration of the contract.

(b) Such charges shall be appended to the electric bill and shall be paid in the same manner as said electric bill is paid to the VILLAGE.

11.06 ILLEGAL DUMPING PROHIBITED. It shall be illegal for any person to dump, dispose, deposit, litter or store refuse in the Village outside of a licensed sanitary landfill facility on either private or public lands.

11.07 MANDATORY RECYCLING. (Rep. & Recr. Ord. #1-94, Cr. Ord. #3-91). (1) STATUTORY AUTHORITY. This section is adopted as authorized under s. 159.09(3)(b), Wis. Stats., and the Village.

(2) PURPOSE. The purpose of this section is to promote recycling, composting and resource recovery through the administration of an effective recycling program as provided in s. 159.11, Wis. Stats., and Wis. Adm. Code NR 544.

(3) ABROGATION AND GREATER RESTRICTIONS. It is not intended by this section to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this section imposes greater restrictions, the provisions of this section shall apply.

(4) INTERPRETATION. In their interpretation and application, the provisions of this section shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this section may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this section is required by the Wisconsin Statutes or by a standard in Wis. Adm. Code NR 544 and where a provision of this section is

unclear, the provision shall be interpreted in light of the Wisconsin Statutes and Wis. Adm. Code NR 544 standards in effect on the date of the adoption of this section or in effect on the date of the most recent text amendment to this section.

(5) SEVERABILITY. Should any portion of this section be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this section shall not be affected.

(6) APPLICABILITY. The requirements of this section apply to all persons within the Village.

(7) ADMINISTRATION. The provisions of this section shall be administered by the Police Department, and the Village will provide each single-family, 2- to 4- unit residences, multi-family dwellings and nonresidential facilities and properties with 2 recycling bins for their recyclables.

(8) EFFECTIVE DATE. The provisions of this section shall take effect on April 1, 1994.

(9) DEFINITIONS. The terms used herein shall be defined as follows:

(a) Bi-metal Container. A container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.

(b) Container Board. Corrugated paperboard made in America and used in the manufacture of shipping containers and related products.

(c) Foam Polystyrene Packaging. Packaging made primarily from foam polystyrene that satisfies one of the following criteria:

1. Is designed for serving food or beverages.
2. Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
3. Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.

(d) HDPE. High-density polyethylene, labeled by the SPI code #2.

(e) LDPE. Low density polyethylene, labeled by the SPI code #4.

(f) Magazines. Magazines and other materials printed on similar paper.

(g) Major Appliance (Am. Ord. #9-94). Residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, oven, refrigerator, stove, furnace,

boiler, dehumidifier or water heater. Microwave ovens may be disposed of in a landfill after the capacitor has been removed.

(h) Multiple-Family Dwelling. A property containing 5 or more residential units, including those which are occupied seasonally.

(i) Newspaper. A newspaper and other materials printed on newsprint.

(j) Nonresidential Facilities and Properties. Commercial, retail, industrial, institutional and governmental facilities and properties. This term does not include multiple-family dwellings.

(k) Office Paper. High grade printing and writing papers from offices in nonresidential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. This term does not include industrial process waste.

(l) Other Resins or Multiple Resins. Plastic resins labeled by the SPI code #7.

(m) Person. Any individual, corporation, partnership, association, local governmental unit as defined in ss. 66.299(1)(a), Wis. Stats., State agency or authority or Federal agency.

(n) PETE. Polyethylene terephthalate, labeled by the SPI code #1.

(o) Plastic Container. An individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack that is originally used to contain a product that is the subject of a retail sale.

(p) Postconsumer Waste. Solid waste other than solid waste generated in the production of goods; hazardous waste, as defined in s. 144.61(5), Wis. Stats.; waste from construction and demolition of structures, scrap automobiles; or high-volume industrial waste, as defined in s. 144.44(7)(a)1., Wis. Stats.

(q) PP. Polypropylene, labeled by the SPI code #5.

(r) PS. Polystyrene, labeled by the SPI code #6.

(s) PVC. Polyvinyl chloride, labeled by the SPI code #3.

(t) Recyclable Materials. Includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic

containers including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins of multiple resins; steel containers; waste tires; and bi-metal containers.

(u) Solid Waste. The meaning specified in s. 144.01(15), Wis. Stats.

(v) Solid Waste Facility. The meaning specified in s. 144.43(5), Wis. Stats.

(w) Solid Waste Treatment. Any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste. "Treatment" includes incineration.

(x) Waste Tire. A tire that is no longer suitable for its original purpose because of wear, damage or defect.

(y) Yard Waste. Leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

(10) **SEPARATION OF RECYCLABLE MATERIALS.** (Am. Ord. 3-2011)
Occupants of single-family and 2- to 4-unit residences, multiple-family dwellings and nonresidential facilities and properties shall separate the following materials from postconsumer waste:

- (a) Major appliances
- (b) Waste oil
- (c) Yard waste
- (d) Aluminum containers
- (e) Bi-metal containers
- (f) Corrugated paper or other container board
- (g) Foam polystyrene packaging
- (h) Glass containers
- (i) Magazines
- (j) Newspaper
- (k) Office paper
- (l) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins
- (m) Steel containers
- (n) Waste tires

(11) **SEPARATION REQUIREMENTS EXEMPTED.** The separation requirements of sub. (10) above do not apply to the following:

- (a) Occupants of single-family and 2- to 4-unit residences, multiple-family

dwellings and nonresidential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in sub. (10) above from solid waste in as pure a form as is technically feasible.

(b) Solid waste which is burned as a supplemental fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplemental fuel.

(c) A recyclable material specified in sub. (10)(e) through (o) for which a variance has been granted by the Department of Natural Resources under s. 159.11(2m), Wis. Stats., or Wis. Adm. Code NR 544.14.

(12) **CARE OF SEPARATED RECYCLABLE MATERIALS.** To the greatest extent practicable, the recyclable materials separated in accordance with sub. (10) above shall be clean and kept free of contaminants such as food or product residue, oil or grease or other nonrecyclable materials, including, but not limited to, household hazardous waste, medical waste and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain and other inclement weather conditions.

(13) **MANAGEMENT OF LEAD ACID BATTERIES, MAJOR APPLIANCES, WASTE OIL AND YARD WASTE.**

(a) Lead Acid Batteries (Rep. Ord. 3-2011, Am. Ord. #2-96).

(b) Major Appliances (Am. Ord. 3-2011, Am. Ord. #2-96). Major appliances can be placed by the curb and will be picked once a month.

(c) Waste Oil (Am. Ord. 3-2011, Am. Ord. #2-96). Waste oil should be put in a plastic jug (gallon size) with a screw on cap and placed curbside and will be picked up weekly with the other recyclable materials.

(d) Yard Waste. Yard waste shall be raked to the curb for curbside pickup at designated times during the spring and fall. Yard waste can also be taken directly to the compost site located at 14th Street behind the old wastewater plant and disposed of properly. No plastic garbage bags are allowed at the curbside or at the site. Only grass clippings, leaves and garden refuse can be taken to the compost site.

(e) Brush. (Am. Ord. #3-94, Am. Ord. #8-94, Am. Ord. #2-96). Brush may be taken to the compost/brush fenced area for the Village employees to do controlled burning throughout the year. This is only for small trimmings, not whole trees.

(f) Furniture (Cr. Ord. #2-96). Furniture can be placed by the curb and will be picked up weekly. One item per week is allowed.

(14) **PREPARATION AND COLLECTION OF RECYCLABLE MATERIALS.**

Except as otherwise directed by the Village Board, occupants of single-family, 2- to 4-unit residences, multiple-family dwellings and nonresidential facilities and properties shall do the following for the preparation and collection of the separated materials specified in sub. (10)(e) through (o) above:

(a) Aluminum. All types of aluminum such as cans, foil, pie pans and trays, and window screen frames are acceptable. Containers shall be rinsed thoroughly and flattened as much as possible and placed in the approved container provided by the Village.

(b) Bi-metal Containers. Bi-metal containers shall be rinsed thoroughly, the labels shall be removed, both ends shall be cut out and they shall be flattened as much as possible. Note: Both ends of tin cans are recyclable.

(c) Corrugated Paper or Other Container Board. Corrugated cardboard shall be broken down and tied in bundles and placed in or along the side of the approved container provided by the Village.

(d) Foam Polystyrene Packaging. When a market becomes available, it should be placed in the container provided by the Village.

(e) Glass Bottles and Glass Jars. All lids and covers shall be removed and all contents emptied and the interiors rinsed, and all glass bottles and glass jars shall be placed in the approved container provided by the Village.

(f) Magazines and Newsprint. Magazines and newsprint shall be flattened and bundled or placed in the approved container provided by the Village.

(g) Office Paper. Office paper shall be placed in the container provided by the Village.

(h) Plastic Containers. Rigid plastic containers shall be prepared and collected as follows:

1. Plastic containers made of PETE shall be placed in the container provided by the Village when a market becomes available.

2. Plastic containers made of HDPE shall be placed in the container provided by the Village when a market becomes available.

3. Plastic containers made of PVC shall be placed in the container provided by the Village when a market becomes available.

4. Plastic containers made of LDPE shall be placed in the container provided by the Village when a market becomes available.

5. Plastic containers made of PP shall be placed in the container provided by the Village when a market becomes available.

6. Plastic containers made of PS shall be placed in the container provided by the Village when a market becomes available.

7. Plastic containers made of other resins or multiple resins shall be placed in the container provided by the Village when a market becomes available.

(i) Steel Containers. Steel containers should be flattened if possible and placed in the container provided by the Village.

(j) Waste Tires. (Am. Ord. 3-2011, Am. Ord. #2-96). Car tires can be placed by the curb and picked up weekly at no charge, limit 2 per household per week.

(k) Construction Materials. (Cr. Ord. #2-96). One cubic yard per household per week may be placed by the curb. More than one cubic yard shall be charged extra to the homeowner, for which special arrangements could be made.

(15) RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF MULTIPLE-FAMILY DWELLINGS. (a) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in sub. (10)(e) through (o) above:

1. Provide adequate space for containers for the recyclable materials.
2. Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
3. Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
4. Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation and a contact person or company, including a name, address and telephone number.

(b) The requirements specified in par. (a) above do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in sub. (10)(e) through (o) above from solid waste in as pure a form as is technically feasible.

(16) RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF

NONRESIDENTIAL FACILITIES AND PROPERTIES. (a) Owners or designated agents of nonresidential facilities and properties shall do all of the following to recycle the materials specified in sub. (10)(e) through (o) above:

1. Provide adequate space for containers for the recyclable materials.
2. Notify, in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
3. Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
4. (a) Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirement, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

(b) The requirements specified in par. (a) above do not apply to the owners or designated agents of nonresidential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in sub. (10)(e) through (o) above from solid waste in as pure a form as is technically feasible.

(17) PROHIBITIONS ON DISPOSAL OF RECYCLABLE MATERIALS SEPARATED FOR RECYCLING. No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in sub. (10)(e) through (o) above which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

(18) RECYCLING REQUIREMENTS. (a) Related Legislation. 1. Hauler Licensing. No person or corporation shall engage in the business of hauling recyclables within the Village without being licensed by DNR under Wis. Adm. Code NR 52.62.

2. Processing Facilities. Any Contractor operating in the Village shall notify the Village as to which facility they're transporting recyclables for processing and, by January 1, 1995, the facility must be approved by the DNR under Wis. Adm. Code NR 544.16.

(b) Proper Disposal of Garbage and Recyclables. 1. Anti-scavenging or Unlawful Removal of Recyclables. It shall be unlawful for any person, unless under contract with or licensed by the Village, to collect or remove any recyclable material that has been deposited or placed at the curb or in a container adjacent to a home or nonresidential building for the purpose of collection for recycling.

2. No Dumping. a. It shall be unlawful for any person to

dispose of or dump garbage in any street, alley or other public place within the Village or in any receptacle or private property without the owner's consent unless it is placed in bags or containers in the manner and at the times specified in this section.

b. No person shall place for collection any garbage at the curb not owned or occupied by such person.

3. No Burning or Burying. a. It shall be unlawful to burn or bury solid waste and recyclables by residential and nonresidential sectors and at construction sites.

b. Open burning shall be permitted only of clean wood and paper products with a permit from the Fire Department.

4. Nondisposable Materials. It shall be unlawful for any person to place for disposal hazardous and toxic wastes, chemicals, explosives, flammable liquids, paint, trees and stumps, construction debris, carcasses and medical wastes (unless personal needles which shall be contained in cardboard to eliminate injury to collection personnel).

5. Recyclables, Garbage, Yard Waste, and Brush From Outside of the Village (Am. Ord. #2-96). It shall be unlawful to bring recyclables, garbage, yard waste, or brush from outside the corporate limits into the Village for disposal unless authorized by agreement with the Village.

(c) Hauler Specifications. 1. Disposal Restrictions. a. Haulers may not dispose in a landfill or burn in a solid waste facility any recyclable materials generated in the Village that have been separated for recycling.

b. Haulers shall not compact glass with paper during collection and transport of recyclables to a processing facility or market and shall maintain materials in marketable condition.

2. Right to Reject Materials. The hauler has the right to reject or leave at the curb any recyclable material that is not prepared according to the specifications in this section or in education material provided by the Village to the service recipients. Materials can also be left if not separated from solid waste, placed in the proper container or are not designated recyclable materials for collection. The hauler also has the right to refuse to pick up any solid waste if it contains recyclable containers and material. In such cases, the hauler or attendant shall notify the generator of the materials about the reasons for rejecting the items either in writing or verbally. The hauler shall also keep a list of such occurrences and provide it to the Village.

3. Hauler Licensing. Haulers who collect solid waste or recyclables in the Village for storage, treatment, processing, marketing or disposal shall obtain

and maintain all necessary municipal and State permits, licenses and approvals prior to collecting any materials in the Village.

4. **Reporting Requirements.** The recycling haulers and processors operating in the Village are required to maintain records and reports in writing to the Clerk-Treasurer at least once each year. Reports shall include the amount of solid waste and recyclables collected and transported from the Village, the amount of solid waste and recyclables processed and/or marketed by item type from the Village, and final disposal location of solid waste and recyclable material. Failure to report shall be cause for the Village to revoke any license or sever any contract with the hauler.

(d) **Other Provisions.** 1. **Establish Fees.** The Village Board and the contractor shall establish for service recipients fees for the payment of collection services for solid waste and recyclables. Fees shall be assessed on a monthly basis and be charged on the utility bill.

2. **Ownership of Recyclables and Refuse.** Recyclable materials and refuse, upon placement at the curb, shall become the property of the hauler. Recyclable materials, upon collection by any permitted collector, shall become the property of the contractor.

3. **Exemptions.** The contractor reserves the right to designate additional solid waste materials as recyclable or currently collected materials as no longer recyclable and to either add or delete them from any collection services provided by the Village or its contractors. The Village shall provide written notice to its service recipients of this declaration.

4. **Collection Schedule.** The Village shall establish the time of collection of solid waste and recyclables and the Clerk-Treasurer shall publish and provide written notice of the collection schedule at least once in the spring and the fall of each year and at any time when the collection schedule is changed.

5. **Specified Containers.** a. **Solid Waste.** A standard solid waste or refuse container shall be a can or container of not more than 35 gallons capacity which has a tight fitting lid and handles and which is waterproof or a plastic garbage bag of suitable strength and not to exceed the same size and capacity.

b. **Recyclables.** Recyclables shall be placed in the 2 containers provided by the Village. Other suitable containers may be used for excess recyclables such as cardboard boxes or paper sacks and placed on top of or adjacent to the recycling container, clearly separated from the garbage.

c. **Time.** All solid waste and recyclables shall be placed by the curb by 7:00 A.M. on the day of pickup.

6. (Rep. Ord. #2-96)..

(19) ENFORCEMENT. (a) (Am. Ord. #2-96). For the purpose of ascertaining compliance with the provisions of this section any authorized officer, employe or representative of Superior Services may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and nonresidential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employe or authorized representative of Superior Services who request access for purposes of inspection and who presents appropriate credentials. No person may obstruct, hamper or interfere with such an inspection.

(b) Any person who violates a provision of this section may be issued a citation by the Police Department to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

(20) PENALTIES. Any person who shall violate any provision of this section or any order, rule or regulation made hereunder shall be subject to a penalty as provided in sec. 20.04 of this Code.

11.10 PENALTY. Any person who shall violate any provision of this chapter shall be subject to a penalty as provided in sec. 20.04 of this Code.
