# **ELECTRONICS RECYCLING EVENT**

---

---

**Village of Hazel Green Residents**

**August 18, 2016**

Items to be accepted:

All Computers, fax machines, desktop printers, scanners, copiers, TVs, computer monitors, computer accessories, e-readers, tablets, iPods, DVD players, VCRs, DVRs, other video players, phones, cell phones and answering machines.

Please place these items in a neat and orderly pile at your curb by 7:00 a.m. Village crews will be making one pass on all streets starting on the north end.

Electronic items were banned from Wisconsin landfills and incinerators as of September 1, 2010.

E-Cycle Wisconsin has special requirements for collectors and recyclers to ensure that electronics are handled and recycled in an environmentally responsible manner.
